1. [REDACTED] At Senator Henry M. Jackson's request, met with a [REDACTED] to discuss possible association with the Agency. Apparently she had been in touch with Agency people in connection with her trip to the World Youth Festival at Helsinki last summer and has been in touch with [REDACTED] in the DD/P. Senator Jackson later, in a private interview, said he regarded this young lady very highly having known her because of her work in [REDACTED]

2. [REDACTED] Representative John Brademas' secretary telephoned to obtain some idea of how long our meeting would be on the 4th of June for the benefit of the various members who are coming. I explained that we planned it so that certainly breakfast would be completed by nine o'clock and if some had to leave early they were perfectly free to do so although we did have a few other items on the agenda after that time.
